HARVEST NOTES: An ideal year with a steady harvest pace. Many regard 2007 as one of the best vintages of the decade. Napa Valley is known for excellent and consistent wines, this year was no exception. From a solid fruit set to ideal harvest conditions, the grapes came in with stunning quality. More family involvement from Jim and Steve Burgess starting in 2006 resulted in a stricter, more detailed, and more thorough evaluation of maturity resulting in some of the most accurate picking dates ever. Knowing wines are made in the vineyard, this is paramount to success. True to Burgess style, our wines showcase the fruit, complemented by a hint of French oak.

VINEYARDS: Estate - located at the winery, faces west from the side of Howell Mountain and has a slope averaging 22%. The soil is composed of "Tuff" a volcanic ash, allowing the vineyard to drain very well.

WINE DESCRIPTION: The wine shows off dense Cabernet Sauvignon character accented with vanilla, balancing spices and toasty oak from traditional barrel aging, paramount to success. True to Burgess style, our wines showcase the fruit, complemented by a hint of French oak.
